We are currently looking for invigilators to support the Academy with invigilation of external and internal examinations. You will need to work professionally as a member of a team which ensures that regulations are followed in a supportive environment for our students taking formal examinations. We are also keen to hear from you if you are willing to support individual students who may need assistance from a reader or scribe during an examination. Examination Invigilators work part-time and periodically but they make a real difference.
