LEARNING CHANGES LIVES

Dear Parent/ Carer,

RE: Harvest Festival

One of our key values at the Academy is 'Nobility'. One of the ways in which we try to exercise this value is through charitable endeavours which demonstrate our commitment not just to ourselves but to the needs of others.

This year the secondary school students are being invited to join the nursery students in collecting food, as part of the traditional celebration of Harvest Festival, for the Croydon CRISIS charity working with the homeless and those who are at risk of becoming homeless.

During the week after half-term (**commencing Monday 29 October 2018**) we will be collecting dry/ tinned foods which, with those contributed by nursery students, will then be taken as a gift from the Academy students to the CRISIS centre on Friday 2 November 2018.

Please can I encourage as many of you as feel able to do so to contribute a tin (e.g. soup/ beans/ canned vegetables) or a packet of dry foodstuffs (e.g. pasta, rice, biscuits) to the collection.

It would be wonderful if our first charitable collection of the year involved as many students as possible.

Yours sincerely,

Michael del Río
Principal
