

LEARNING CHANGES LIVES

25 February 2021

Dear Parent/ Carer,

In response to the government's announcement on Monday that students should begin a phased return to 'face to face' learning from Monday 8 March 2021, we have put together a schedule which outlines the plan for your child's year group. If you have more than one child at the Academy you will receive copies of plans for different year groups as appropriate.

First Day Back at School by Yeargroup

Year 7 – Tuesday 9 March 2021 @ 08:15

Students who have completed three Lateral Flow Tests at school will then be provided with home-test kits which the Department for Education will begin to distribute to schools next week. This will enable all students to continue to self-test at home going forward to reduce the risk of infection and transmission of the virus to others.

Current guidelines also insist upon the wearing of face coverings at all times in enclosed spaces at secondary school. Students will continue to be required to wear masks whenever they are in the building, unless sitting down to eat in the canteen/ Hall.

Students:

Please do NOT attend school if you are, or anyone in your household is, currently isolating following a positive test or you have been in close contact with a person who has coronavirus. Please ensure you self-isolate as per current government guidelines before returning to school.

For students in Year 11 we are currently awaiting the full response to the consultation regarding the awarding of examination grades this summer. It is likely at this stage that there will be some form of assessment in place of the normal schedule of examinations and we shall of course update you as soon as we are made aware of the expectations.

Parents:

Please do NOT attend site at any time without a prior appointment. This is to ensure that we do not expose staff/ students to unnecessary risk at this time. If you bring your child to/ collect your child from school each day please arrange to meet them somewhere a little way away from the main school gate to avoid gathering outside the school.

Finally may I take this opportunity to thank you all for your support throughout this extended period of lockdown and for ensuring your children have continued to make good progress via our online learning programme. I hope that the mass vaccination programme now underway may mean that we are able to return to a greater sense of *normality* in the near future and to enjoy some of the more enriching experiences that are afforded through educational trips/ visits.

Yours faithfully,

Michael del Rio
