

ARCHBISHOP  
LANFRANC

LEARNING CHANGES LIVES

Dear Parents/Carers,

I write at the end of my second full week as Principal at The Archbishop Lanfranc Academy – a position I am very proud to have been appointed to.

Our staff training day and early work with students focused on welcoming the children back to a safe and calm environment, and helping them get back into the academy's routines.

Other priorities have been: supporting the transition to secondary school for our Year 7s; welcoming any other students that are new to us; identifying and filling gaps in knowledge caused by the various interruptions over the last two years; ensuring a strong start to GCSE courses and, for the Year 11 students, really pushing on from the end-of-year 10 exams and planning to ensure we secure the best outcomes for them.

Other priorities for me are getting to know the staff, students, parents and the broader community.

I ask that you support us by ensuring your child attends school every day unless very unwell or displaying Covid-19 symptoms (and if that is the case, please arrange for them to have a PCR Test) and that you help them to arrive on time, looking smart and with all the equipment they need to have a successful day.

I look forward to meeting with you at one the various functions/ events this coming year and will update you as the term, and school year, develop.

Yours sincerely,

Mr S Trehearn  
**Principal**
